Only REA has the all-in-one **BOOK + WEB + MOBILE** study system for 3.9 million AP exam test-takers!

REA's All Access® groundbreaking study system integrates a book with a suite of online and mobile tools to help AP students personalize their prep and make the most of their study time.

No other publisher offers this unique product.

AP ALL ACCESS® combines 3 components into 1 study system

BOOK: A Complete Subject Review

Our book gives students a targeted review of the material they'll be expected to know on test day, presented with proven tips and strategies for answering every question type.

WEB: REA Study Center

The online REA Study Center offers the most powerful scoring analysis and diagnostic tools available today. Using chapter quizzes, mini-tests, and a full-length practice exam, the Study Center pinpoints students' strengths and weaknesses and helps them raise their scores by showing them exactly where to focus their study.

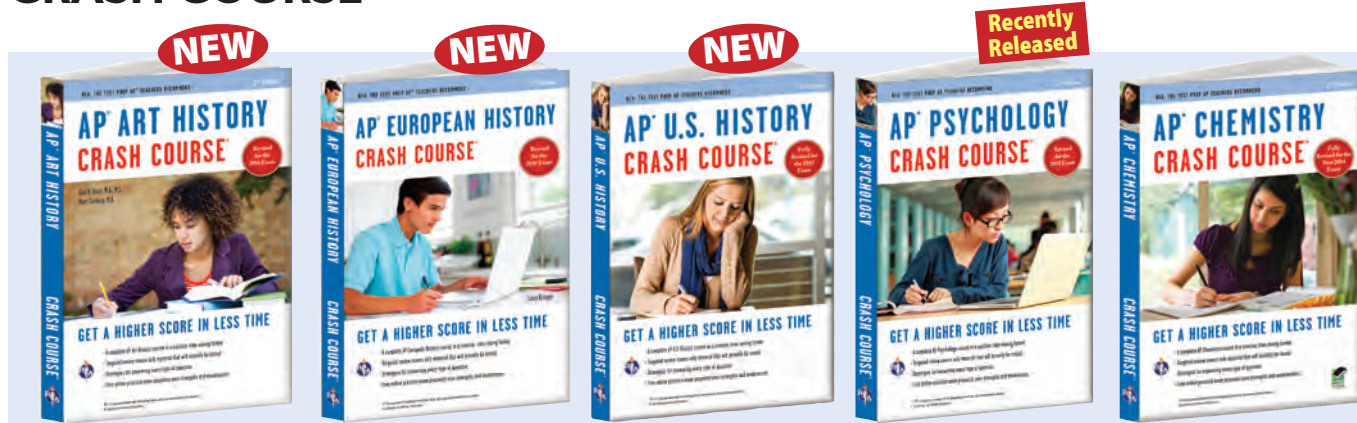

MOBILE: E-Flashcards

REA's e-Flashcards help AP students customize their study and practice where they need it the most. Students create their own unique flashcards or study the 100 cards included with the book. And, since students can access the flashcards online or on a smart-phone, they can practice anytime they have a free moment.

See what students and teachers say about REA's *Crash Course*®:

“ This book (*AP U.S. History Crash Course*) saved me hours of studying and helped me achieve a 5 on my AP exam. My whole AP class went out and bought it, and it helped us all. ”

— R. Amalfitano, AP Student, Ridgefield Park, NJ

“ The Crash Course is a compact, concentrated and comprehensive review... I use it as a checklist for my instruction. It's a great resource to tie it all together for my students. ”

— Christy Kessler, Chairperson,
Social Studies Department,
Catholic High School, Baton Rouge, LA

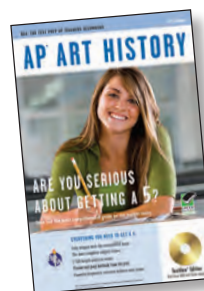

“ If it had not been for the *AP Crash Course*, our students would have been discouraged and floundered. The book is a marvelous tool that helps students make connections and see relationships that cement their learning. The author skillfully includes proven hints and pivotal topic summaries. The *AP Crash Course* is not only a tool for test preparation, but a study companion to consult as the course develops. ”

— C. Fisher, AP Teacher,
Moorhead High School, Moorhead, MN

ACT & SAT

REA's College Admission Prep — ACT & SAT

REA's test preps help students score higher on their College Admission exams.

- Written by education experts, our targeted review chapters focus on every topic tested on the official exam
- Our practice tests replicate the format of the exams, allowing students to assess their skills and gauge their test-readiness before exam day
- Most test preps come with practice tests on CD or online (trim sizes vary based on series)

ACE the ACT with ACT Strategy Smart!

ACT Strategy Smart helps college-bound students raise their score on the ACT and get into the college of their choice.

Authored by Kelly Roell,

About.com's test prep specialist, *ACT Strategy Smart* gives students test-taking strategies they need to know before exam day. The author focuses on the content of the ACT, explains the concepts tested, and offers strategies, tips, and pointers on how to answer questions correctly. Practice tests based on actual ACT questions are online at REA's Study Center.

ESL & CIVIL SERVICE

Open a World of Opportunity with REA's ESL Resources

English the American Way: Culture Catch-Up

From the authors of the REA best-seller, *English the American Way: A Fun ESL Guide to Language and Culture in the U.S.*, comes the second book in the series, *English the American Way: Culture Catch-Up*. Written in the same engaging and humorous style that resonated with ESL teachers, students, and professionals, *Culture Catch-Up* focuses on the major U.S. holidays. Arranged thematically around the seasons, each unit includes holiday-themed dialogs and readings, plus: American etiquette tips, funny observations, tons of vocabulary, thematic idioms, and fun culture bonuses (party planning, recipes, seasonal traditions, games, and more!).

- Written in an engaging and lighthearted style
- Perfect for people of all ages and all nationalities
- Audio CD and Mp3 include dialogs to improve listening & speaking skills

PRAXIS TEACHER CERTIFICATION

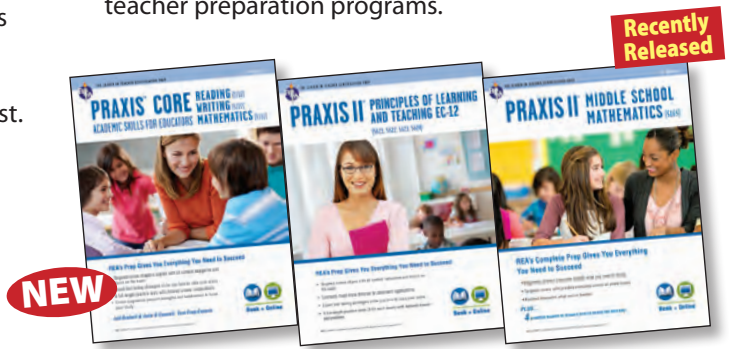

REA is committed to helping teacher candidates get certified

Nationwide, more than 4 million teachers will be needed over the next decade, and all must take certification exams for teacher licensure.

- **Officially Aligned** – Our reviews and full-length practice tests are fully aligned with the licensure requirements of the state’s credentialing agency.
- **The Best Practice Exams Available** – REA’s practice tests measure and reinforce skills while simulating the actual exam. Detailed answers and test-taking strategies help candidates optimize their practice and succeed on the test.
- **Practice in Real Time** – Most titles are offered with practice tests on CD or online at REA’s Study Center. The practice tests include instant scoring, detailed answer analysis, and diagnostic feedback.

About the PRAXIS

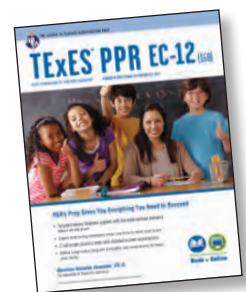

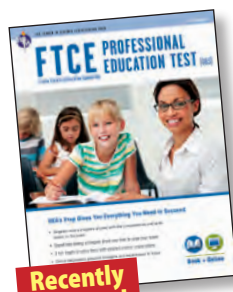

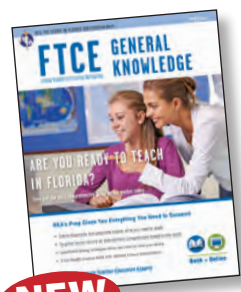

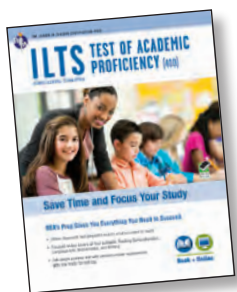

PRAXIS exams are required for teacher licensure in most states and U.S. territories. State departments of education and colleges and universities use PRAXIS scores to measure the academic achievement and proficiency of individuals entering or completing teacher preparation programs.

QUICK ACCESS® TITLES

The most affordable and attractive charts available

REA's Quick Access® Study Charts contain all the information students, teachers, and professionals need in one handy reference. They provide quick, easy access to important facts.

The charts contain commonly used math formulas, historical facts, language conjugations, vocabulary and more! Great for exams, classroom reference, or a quick refresher on the subject.

- Most laminated charts consist of 2 fold-out panels (4 pages) that fit into any briefcase or backpack.
- Each chart has a 3-hole punch for easy placement in a binder.
- Trim Size: 8 1/2" x 11"
- All charts are only \$4.95 U.S.
