Book

DAVID MILES AND NATALIE HOOPES

DESCRIPTION

In a world dazzled by the latest gadgets and mesmerized by Internet videos, the humble book seems like the most ordinary thing that could be. And perhaps it is—until you learn to look closer . . . and closer . . . and closer . . . and you're suddenly in a world that only you can imagine.

With soft, warm storytelling and stunning, whimsical illustrations, *Book* embarks the reader on an imaginative journey through the literary lands of fact and fiction, a world where passwords, viruses, and broken screens can't stop a young boy's earnest quest for truth. Join in this celebration of literature, scrape the skies of opportunity, traverse the forests of what-could-be, free the powers of knowledge, and discover once again why the humble book is anything but ordinary.

WHY YOU'LL LOVE IT

- Rich, imaginative illustrations.
- A beautiful way for parents and teachers to introduce tech-overloaded kids to the quiet intimacy of books.
- A manifesto for book lovers everywhere at a time when the digital revolution is sparking a renewed campaign for the printed word.

DAVID MILES

David Miles makes books for a living. He also reads books, writes books, sells books, shelves books, thinks about books, drives to books, sleeps to books, cooks from books, but he doesn't eat books (which is fortunate). He graduated from Brigham Young University with a BS in business management. David currently lives in California where he enjoys trips to Yosemite, the central coast, and his favorite shawarma restaurant. *Book* is his second children's book.

NATALIE HOOPES

Natalie Hoopes was born with a head full of wild ideas. She decided that only way to get them out was to be a painter. She has recently graduated from Brigham Young University with a BFA in illustration. Her artwork has been published in the *The Friend*, *New Era*, and *Liahona* magazines. She currently lives in Utah with her husband and far too many books.

Let's celebrate books.

MEREDITH BAIRD

Meredith Baird has had a lifelong passion for gourmet vegetarian cuisine. She pursued her culinary career in Napa Valley where she was able to incorporate her knowledge and love of wine into a healthy lifestyle and gourmet cuisine. After California she moved to New York to join the Matthew Kenney team where, for several years, she was an integral part of the Matthew Kenney Lifestyle brand. She has assisted in writing several books with Matthew, as well as in opening the Matthew Kenney Restaurant and Academy.

Health and beauty never tasted so good.

COCONUT

Coconut Yogurt with Stone Fruit, Sprouted Buckwheat, and Lemon Zest

I here is something so satisfying about yogurt for breakfast. Not only is the morning produce best, a healthy one to start the day starts in a satisfying and familiar "coconut" about eating yogurt. Unfortunately most yogurt on the market, even (or especially) the non-dairy versions, are full of synthetic fillers and sugars. Making a true cup of yogurt is a healthy morning to get up to in a healthy way for the rest of the week. One recipe will last about five days.

I Average each bowl as one with the ingredients listed above. The sweetener and lemon zest can be added as garnish, or stirred into the yogurt.

***** Store the yogurt in the refrigerator until after fermentation is complete. Do not use the same hands as a spoon.

Yields: 2 or depending on how much yogurt you have on hand.

For related full recipe in *Coconut Kitchen*, there full is available \$1.99 on the last. Also, visit the coconut superfood site at coconutkitchen.com for the full.

DESSERT

Coconut Jyos

I prefer to serve this recipe as a more rustic dessert. You can certainly form the coconut filling into perfect round cookies using an ice cream scoop, or form them into evenly sized bars, but I like to press them in a cookie sheet, cover with chocolate, chopped almonds, and serve. You can make this dessert and then freeze the almonds if you prefer.

CHOCOLATE GLAZE

1 Blend all ingredients together until smooth. Make sure to add a generous pinch of sea salt.

COCONUT FILLING

2 Process 1 cup of the coconut flakes with coconut butter in your food processor until you get a chunky dough-like consistency. Add remaining ingredients until all is thoroughly combined and holds together well.

ASSEMBLY

3 Process 1 cup of the coconut flakes with coconut butter in your food processor until you get a chunky dough-like consistency. Add remaining ingredients until all is thoroughly combined and holds together well.

4 Press coconut filling into the bottom of a baking pan in a 9 x 9 inch area. Optionally sprinkle with almonds and sea salt. Cover with chocolate glaze. Refrigerate for at least 30 minutes or more before serving.

INGREDIENTS

CHOCOLATE GLAZE

- 1/2 cup melted cocoa butter
- 1/2 cup cocoa powder
- 1/2 cup coconut oil
- Pinch of sea salt

COCONUT FLAKES

- 2 cups shredded coconut flakes
- 1 1/2 cups coconut oil, melted
- 1 1/2 cups coconut water or water
- 1 cup
- 1/2 cup sea salt
- 2 1/2 cups of almonds (optional)
- 1/2 cup
- 1/2 cup (chopped almonds optional)
- Pinch of sea salt

Quinoa Crazy

The Gluten-Free Superfood Cookbook

BRITNEY RULE, CHERIE SCHETSELAAR

DESCRIPTION

Quinoa is the superfood you know you should be eating. You've heard about it, and how it's a complete protein, contains all 9 essential amino acids, lowers cholesterol, and is nutrient rich in vitamins, minerals, and antioxidants. It's definitely a superfood.

But how do you actually cook with it? Cherie Schetselaar and Britney Rule show you the tips and tricks to quinoa cooking until you are including it in any dish. From snacks to main dishes, *Quinoa Crazy* will turn this foreign kernel of nutrients into your most popular kitchen ingredient ever. Go crazy with quinoa!

WHY YOU'LL LOVE IT

- *Quinoa Crazy* starts out simply. With both historical background and dietary information on this amazing grain, it gives readers the basics on why they should use quinoa.
- This book is full of fun facts and cooking tips scattered throughout the recipes that will make the cooking experience all the more enjoyable and visually arresting.
- With recipes of all types, from breakfasts to main dishes to desserts, quinoa will be easy to include in any diet.
- Many Americans are looking for alternatives to wheat due to books like *Grain Brain*. Quinoa is the substitute they are looking for.
- Most of the recipes in the book are also vegetarian, a diet which appeals to about 7 million Americans.
- Authors are the successful bloggers behind the Grain Crazy blog and are also the authors of *Grain Crazy*.
- Over 70 full-color photographs throughout.

Don't stop with just quinoa! Add more healthy grains like spelt, chia, and barley to your diet with Britney and Cherie's *Grain Crazy*.

✦ *a Simple Chair* ✦

Creating a chair is a wonderful place to start. After all, think for a moment about all of the things we do to sit. We enjoy great dinners with friends, we sit and read with children, both young and old. These important moments mark us as people and global consciousness rely on chairs and tables.

- 1 Start with the basic shape of the "upset of the chair" that you can use to make sturdy (see page 10).
- 2 Next, add the seat to the chair. There are lots of different materials you can use for this. You might want to use twigs and moss, or use a piece of fabric, paper, or felt. You could also use a piece of wood or a piece of cardboard. There are a few examples of chair seats.
- 3 To add the legs to the chair, use the seat of the chair as a guide. You can use twigs or a piece of wood for the legs. You can also use a piece of wood or a piece of cardboard for the legs. There are a few examples of chair legs.

✦ *Princess Canopy Bed* ✦

Canopy beds complete an amazing dream. They always seem to make you feel like you are a little princess or sleeping in a fairyland magical land. You can create this little bed for your own little princess.

- 1 Cut about 1/2 inch (1.3 cm) wide or cut the twigs into thin strips you want your bed to be. Remember that an slightly irregular cut adds to the natural design, making a bed more like a little girl's bed than a formal bed. If you need the your pieces to be perfect, that's fine, too!
- 2 Cut four branches, roughly equal in size and length, to use for the legs of the bed. It is a good idea to choose branches that are thick and woody so that the bed will stand more firmly and be sturdier. You can also use twigs or "logs" on the legs which will make the bed look more "magical" and whimsical.
- 3 Cut four more branches for the posts of the bedhead and the footboard. They can be the same length or different (the footboard can be a little shorter). Make all four branches higher than you want to accommodate for the canopy or you will have to be above the top of the chair. Cut the base "bed post" sections to the bed frame at each corner.

Make Your Own Hard Lotion

A Healing Alternative to Traditional Lotions

CALEB WARNOCK AND AMBERLY NEIBAUR

DESCRIPTION

Today's liquid commercial lotions have more toxic chemicals than we want to admit. Homemade liquid lotions have a shelf life of only a couple of weeks. Hard lotion is the solution for those interested in avoiding commercial products or lotions with short shelf lives and who want smooth, soft skin.

Amberlee, the owner of the noted Amberlee's Apothecary and full-time chemist, and Caleb Warnock, the self-sufficiency expert, have teamed up to provide easy-to-make hard lotion solutions for your skin needs. With key health ingredients like coconut and avocado oils, hard lotions are simply the best solution to the skin you want. And, creating your lotion at home is fun and far less expensive than the commercial alternatives.

WHY YOU'LL LOVE IT

- Caleb is the successful author of *Forgotten Skills of Self-Sufficiency*, *The Art of Baking with Natural Yeast*, and *Backyard Winter Gardening for All Climates*. He is the author of seedrenaissance.com andcalebwarnock.blogspot.com.
- Amberlee is the owner of an apothecary store and is a full-time chemist. She knows her stuff.
- Liquid store-bought lotions contain harmful chemicals that prolong shelf life. Liquid homemade lotions contain water which invites bacteria and have short shelf lives. Hard lotion avoids both problems.
- Uses popular ingredients like coconut oil, avocado oil, apricot kernel oil, and essential oils.

The first book of its kind on hard lotion

Make Your Own Cheese

Self-Sufficient Recipes for Cheddar, Parmesan, Romano, Cream Cheese, Mozzarella, Cottage Cheese, and Feta

CALEB WARNOCK

DESCRIPTION

If you want cheese that's one-third the cost and better tasting than your best store-purchased Romano or Parmesan, then this book is for you. Caleb Warnock, the celebrated self-sufficiency master, teaches you how to make seven different cheeses that are delicious, inexpensive, and, most importantly, fun and easy.

Caleb's recipe, which he worked for hundreds of hours to create, is available nowhere else. You won't find a self-reliant, cheese-making method anywhere on the Internet! It's simple. Once you have practiced the recipe a couple of times, "the cheese practically makes itself." It costs a third less than store-bought cheese and less than a fifth of Romano and Parmesan! Its fresh taste is unbeatable.

It's fun. And it's the only cheese recipe in the world that begins with a shovel!

WHY YOU'LL LOVE IT

- Author is the successful author of *Forgotten Skills of Self-Sufficiency*, *The Art of Baking with Natural Yeast*, and *Backyard Winter Gardening for All Climates*. He is the author of seedrenaissance.com and calebwarnock.blogspot.com.
- One of two new titles launching the "Backyard Renaissance Guide" series, an inexpensive series to help families be more self-sufficient and creative with resources.
- You need no special equipment! No thermometer, no rennet purchased on the Internet, no acetic acid crystals, no citric acid crystals, no cheesecloth. If you have ever tried cheesemaking before, you know that you have been required to buy all of these.
- It's self-reliant and completely local.

Includes the world's only self-sufficient cheddar recipe

For Those with Empty Arms

A Compassionate Voice For Those Experiencing Infertility

EMILY HARRIS ADAMS

For Those with Empty Arms uses poetry and personal experiences to offer an empathetic voice for those experiencing infertility.

ENDORSEMENTS

“A jewel. With *beautiful* writing, powerful stories, and incredible insights, she has created a resource that will undoubtedly bring comfort, hope, and inspiration to all who read it.” —APRIL PERRY, co-founder of Power of Moms

DESCRIPTION

After receiving the news that in vitro would be their only hope for biological children, award-winning poet Emily Adams had to learn to live in a new world of needles, embarrassing tests, long waiting periods, and expensive doctor’s appointments.

In this beautiful and touching book of poems and essays, Emily tells the story of the diagnosis and the chaotic years that followed. Despite the many instances of disappointment, she learns how to continue to hope. Emily Adams weaves a powerful and compassionate story for any woman who is desperately trying to conceive but can’t.

WHY YOU’LL LOVE IT

- *For Those with Empty Arms* uses an empathetic, rather than reference book, approach to infertility.
- It includes beautiful and poignant poetry.
- Organized by subject, rather than chronologically, so the reader can skip to the essays they find most applicable to their current circumstance.
- The book is written from the perspective of someone suffering infertility, rather than someone who is treating infertility.

EMILY HARRIS ADAMS

Emily Harris Adams considers herself a long-expecting mother. She’s seen the frustrating world of infertility: the often humiliating doctor visits, the astonishing price tags for treatments, having to explain why she doesn’t have kids, the shock of finding out a friend is going through the same struggle, waking up with her arms cradling a non-existent baby, and needing to suddenly cancel a round of in vitro for health concerns.

Emily is also a poet. Her first poem, “Empty Linen,” was quoted to a religious audience of more than 13 million people. Emily’s award-winning poems “Second Coming” and “Birthright” have been read worldwide. She lives in Provo, Utah.

Sometimes you don’t need advice—just compassion.

The Power of Dadhood

How to Become the Father Your Child Needs

MICHAEL BYRON SMITH

While some parenting books are designed to fix issues, *The Power of Dadhood* is designed to minimize the future issues that most children will have if not raised properly.

DESCRIPTION

The Power of Dadhood encourages men to father with the knowledge that they are vitally important to the futures of their children. National speaker Michael Byron Smith discusses the implications of a fatherless home, the challenges of parenting, and the hierarchy of fathers. There are absent fathers, present yet uninvolved fathers, authoritative fathers, loving fathers, teaching fathers, and many more. Any man, through *The Power of Dadhood*, can assess himself, see where he stands, and make choices to become a real Dad and find the power of Dadhood!

WHY YOU’LL LOVE IT

- Mentors men to know how their presence in their children’s lives is needed and how to overcome the negative perception of being a father.

SHELLEY DAVIDOW

Shelley Davidow (MSEd) is a teacher, author, and trained facilitator in Restorative Practice. She has taught students ages five to eighty in a wide variety of settings. She runs workshops internationally on the impact and management of stress at home, in the workplace, and in the classroom. With her focus on social and emotional health, Shelley has worked across the USA, the UK, and Australia in schools conducting readings, workshops, and facilitating discussions with young people on the many issues they confront.

An award-winning author of thirty-eight books, which range from children's fiction to adult non-fiction, her titles have been set at schools across the world. She lives on the east coast of Australia with her family and several noisy kookaburras.

Feeling a bit stressed yourself? Dr. Ben Bernstein's *Stressed Out!* series will help you become calm, confident, and focused.

The Ravenous Gown

And 14 More Tales about Real Beauty

STEFFANI RAFF

DESCRIPTION

In a world obsessed with outward appearances—where princesses have been boiled down to beautiful ball gowns—comes a new kind of fairy tale. Fall under the spell of a “Once upon a time...” where beauty is bigger than a reflection, where wisdom makes girls extraordinary, and where curses are broken through the strength and character of unlikely heroines. A magnificent collection of short stories written in fairy tale prose, *The Ravenous Gown* captures the essence of a stronger, smarter princess—the kind that actually lives happily ever after.

WHY YOU’LL LOVE IT

- Author is a national storyteller.
- A delightful collection of short stories in fairy tale format to engage young women.
- The included discussion guide gives girls and their parents a way to talk about their ideas of what being beautiful really means.
- Links to other resources and ideas discussed in the book provide important information about how being a woman is so much more (and better) than just being sexy.

STEFFANI RAFF

Steffani Raff is a master of metaphor. She draws on her many years of experience as a professional storyteller to give strength and flexibility to her writing. You’ll find her writing captures the voice, humor, and pacing of listening to a story in live performance and begs to be read aloud. Her knowledge and experience with the power of story to inspire, as well as entertain, allows her to address ideas in fresh and engaging ways. Steffani resides in Utah.

15 fairy tales for damsels not in distress.

Red Zone, Blue Zone

Turning Conflict into Opportunity

JAMES OSTERHAUS, JOSEPH JURKOWSKI, AND TODD HAHN

DESCRIPTION

Most of us fear and dread conflict, at home or at work. But conflict can be your ally, not your enemy. Conflict doesn’t have to tear your family or organization apart.

Using the story of a family business leader embroiled in generational conflict, *Red Zone, Blue Zone* shows how to navigate conflict in a way that is healthy and leads to enhanced relationships, self-awareness, and greater leadership success. Practical response activities and personal reflection questions help the reader understand the sources of conflict, have a working command of conflict navigation principles, and be equipped to help others navigate conflict in their own lives. In *Red Zone, Blue Zone* readers will learn skills such as:

- Questioning
- Listening
- Pacing
- Reframing

WHY YOU’LL LOVE IT

- The authors have decades of experience in family therapy, pastoral ministry, and organizational consulting through TAG consulting. They are deeply experienced in helping people and organizations navigate conflict.
- Shows that while conflict is inevitable, it can be our ally in improving communication.
- A practical appendix with exercises takes the book into the realm of the day-to-day.

Motherhood Realized

An Inspiring Anthology for the Hardest Job You'll Ever Love

POWER OF MOMS

Power of Moms is an online community of deliberate mothers. Since 2007, millions of mothers from all backgrounds who are striving to be the best they can be have gathered to this website to learn and grow together. Time and again, the posts receive comments that say something like, "I am going to print this out and put it on my nightstand so I can read it again and again." We've been concerned about those nightstands . . . getting all cluttered up with paper. So we've selected dozens of the most popular posts and compiled them neatly into this book just for you.

“Motherhood is rarely what we think it will be. But when we gather with other deliberate mothers and share our most powerful perspectives—like the ones in this book—our mothering experiences can become even better than we hoped.” —Linda Eyre, #1 *New York Times* bestselling author

The Turning

Why the State of the Family Matters, and What the World Can Do About It

RICHARD AND LINDA EYRE

In the spirit of Friedman's *The World is Flat*, Richard and Linda Eyre examine the connections between the world's mounting social problems and the breakdown of families and look deeply at the root causes of family disintegration—the false paradigms that confuse the priorities of parents and influence the kind of policies and practices in larger institutions (from media to government) that threaten families both economically and emotionally.

Deliberate Motherhood

12 Key Powers of Peace, Purpose, Order, and Joy

POWER OF MOMS

The outstanding authors of *Deliberate Motherhood* have let the trials and hardships of motherhood mold them into better people. It's a change that *refines* us—or as the dictionary describes it, “removes impurities, makes something more effective or become more elegant.” That is powerful! Each of the 12 “Powers” provided in this book is a crucial component to help you in your motherhood. And the best part is that you don't need to do it all at once. You can focus on one “power” a month, and over the course of a year, you'll see great changes in yourself and in your family.

-  "In her lively memoir reaching back to moments in her own acting career, Ryane manages both to be funny and not take herself too seriously, though the respect she instilled in the children is remarkable: respect for her direction, for each other, and for the genius of Shakespeare." —**Publishers Weekly**
-  "*Teaching Will* sings with honesty, adventure, humility, and humor. Only someone who loves Shakespeare would dare to do what Ms. Ryane did and dare to write about it. The book is a joy." —**Helen Hunt**

Cooked Raw

MATTHEW KENNEY

“In all my years as a chef, I’d never opened a coconut. This is a big realization for any chef transitioning from traditional cuisine to raw and whole foods. In a restaurant, even a great restaurant, the chef buys milk; he doesn’t have a cow in a back room behind the prep kitchen. In a raw restaurant, we make the milk. It comes from plants or seeds or trees. This coconut became a metaphor for what I was about to embark on: nothing would come easy.” In his expansive, entertaining memoir, Matthew Kenney tells how he abandoned the life of a mainstream celebrity chef in New York to become an unlikely pioneer of plant-based cuisine. *Cooked Raw* is Kenney’s story of courage, persistence, and risk, and a passionate manifesto for the future of food in the 21st century.
