*The Ancient Magus' Bride* is an all-new manga series that features a fascinating relationship between a troubled teenage girl and an inhuman wizard. Just when all hope seems lost, a fated encounter awaits her. When a man with the head of a beast, wielding strange powers, obtains her through a slave auction, Chise's life will never be the same again.

**D-Frag!, vol. 6**

Story and art by Tomoya Haruno

**The outrageous manga parody of the high school club genre continues!**

*D-Frag!* is an ongoing manga series that parodies high school clubs, nerd culture, and the slice-of-life genre in a side-splittingly hilarious storyline. For fans of manga series about *otaku*-centric high school clubs like *Haganai: I Don't Have Many Friends*, *Genshiken*, or *The Melancholy of Haruhi Suzumiya*, *D-Frag!* has the last laugh, as it satirizes the genre like never before.

*D-Frag!* was first serialized in Japan in *Monthly Comic Alive*. The hit manga series is the basis for the *D-Frag!* anime series that aired on Japanese television in early 2014, and has been licensed for home video in North America by FUNimation.

Kazama Kenji thinks he's a delinquent. He's got the look, the style and the attitude to match—he even has a second-rate entourage of sorts. Deep down, however, Kazama is a good-hearted kid who finds himself and his loyal gang in over their heads when they stumble upon the Game Creation Club. The club's formidable members, Chitose, Sakura, Minami, and Roka, are four girls whom he might actually be attracted to if they weren't so freaking weird.

The girls claim to have otherworldly powers which they use to defeat Kazama's gang and force him to join their offbeat club. Can Kazama resist the girls' bizarre charms and return to some semblance of a normal, everyday life...or is it "game over" for our hapless hero?

**Tomoya Haruno** is best known as the author and artist of *D-Frag!*, and has contributed to the *Lucky Star* anthology collections along with the *Haganai Anthology Comic* collections.

## Dictatorial Grimoire: The Complete Collection

Story & Art by Ayumi Kanou

**A 540-page omnibus collection of the manga trilogy about the Grimm Brothers' most notorious characters!**

*Dictatorial Grimoire: The Complete Collection* is an omnibus collection that reimagines characters straight out of the Brothers Grimm fairy tales. Much like Seven Seas' bestselling *Alice in the Country of Clover* series, *Dictatorial Grimoire* puts an edgy spin on beloved classic characters, with a focus on Cinderella, Snow White, and Little Red Riding Hood. Each book in the trilogy is presented in an oversized edition that features impressive *shoujo*-styled artwork and color inserts.

**G**rimm Otogi, a farflung descendant of the renowned Grimm Brothers, has always regarded the fairy tales his ancestors concocted as pure fiction. Unfortunately for the introverted half-Japanese teen, he is about to discover that the Grimm legacy is anything but pure.

Upon receiving a posthumous letter from the father he never knew, Otogi transfers to a new school and moves into an abandoned mansion as part of his inheritance. There, he finds a manuscript that reveals the truth about his ancestors: the Brothers Grimm made a deal with mystical beings known as the Märchen Demons, who now have a claim on Otogi's life. With a dashing male Cinderella as his guide, can Otogi Grimm unlock the power of the manuscript and stop the fairy tale demons before they destroy him first?

**Ayumi Kanou** is a Japanese manga artist and author best known for her work on the manga adaptation of the *Tales of the Abyss* video game by Namco Bandai.

## Haganai: I Don't Have Many Friends, vol. 12

Story by Yomi Hirasaka; Art by Itachi

**The New York Times bestselling manga about fandom continues!**

A wild and offbeat comedy about social outcasts who are obsessed with fandom, *Haganai: I Don't Have Many Friends* is like *Genshiken*, *The Melancholy of Haruhi Suzumiya*, and *Toradora!* all wrapped into one.

*Haganai: I Don't Have Many Friends* has received two, thirteen-episode anime seasons in Japan and has a live-action movie in production. FUNimation released the first season on home video in the United States in 2013 and released the second season in 2014.

This is the twelfth volume of an ongoing manga series that is sure to appeal to today's manga fans in the same way *The Big Bang Theory* appeals to geeks.

Recent high school transfer student Hasegawa Kodaka is pathetically inept at making friends. Kodaka is an outcast, with his natural blond hair which he inherited from his deceased English mother, and his unpleasant, fierce gaze. When he comes across the brash loner Mikazuki Yozora, who typically chats with her imaginary friend, the two outsiders become the unlikeliest of allies.

Realizing that they have no hope of a normal social life, the two rejects decide to form a group called "The Neighbor's Club" in order to make friends and maybe even learn a thing or two about social skills. As luck would have it, five new members, each more socially awkward than the next, join the club. Will these quirky misfits ever make normal friends or are they all doomed to social failure?
