Kathy Lette's Girl Talk Journal

Kathy Lette

A woman's work is never done – not by men anyway! Sweeping the room with a glance is the closest most men get to doing housework. So, it does a girl good to have a place to whine. (Whining and dining is what girlfriends do together. So much cheaper than therapy!) *Kathy Lette's Girl Talk Journal* is the perfect place to jot down quips, tips, and any little ideas that pop into your head. Oh, and there's also some little mental espressos in the form of cartoons, to make you laugh at the conundrums of a woman's life. Why? Well, laugh and the world laughs with you. Cry and your mascara runs.
