# PRESTON & CHILD

return with their next blockbuster  
Pendergast novel—now in premium size.

**“Another highly entertaining and genuinely thrilling story from Preston & Child starring their romantic, faintly gothic, and always mysterious FBI agent, Aloysius Pendergast.... Through myriad shocks, surprises, twists and turns, the suspense never lets up. Great fun to the last page.”**

—Anne Rice on *White Fire*

**“Pendergast, one of the most memorable detectives in contemporary thrillerdom.”**

—Steve Berry, author of *The Lincoln Myth*

A long-buried family secret has come back to haunt Special Agent Aloysius Pendergast. It begins with murder. One of Pendergast's most feared enemies is found dead on his doorstep. Pendergast has no idea who is responsible or why the body was brought to his home. The mystery seems the perfect crime, save for one clue: a piece of turquoise lodged in the stomach of the deceased. But soon, Pendergast realizes that it's a message from a subtle killer bent on vengeance over an ancient transgression...and he'll be pushed toward a reckoning beyond anything he could ever have imagined....

Once upon a time, Carissa Teodoro believed in happy endings. Money, marriage, motherhood: everything came easy—until she woke up to the ugly truth about her Prince Charming. Now a struggling, single mom and stranded by a flat tire, Carissa’s pondering her mistakes when a vaguely familiar knight rides to her rescue on a ton of horsepower.

In high school, Carson Steele was a bad boy loner who put Carissa on a pedestal where she stayed far beyond his reach. Today, he’s the hard-bodied biker known only as Joker, and from the way Carissa’s acting, it’s clear she’s falling fast. While catching her is irresistible, knowing what to do with her is a different story. Too bad holding back is so damned hard. Now, as the darkest part of his life threatens the best thing in it, Joker must decide whether to ride steady with Carissa—or ride away forever.

Sergeant First Class Avi Grant's return to Tallgrass, Oklahoma, is a long-deferred wish come true. With her tour in Afghanistan over, Avi can focus on her future—a job here at home and a family of her own. There's just one thing she has to do first: visit her beloved commanding officer's widow and share her grief. The last thing she expected was to feel an instant attraction to the woman's son. Too bad the sexy surgeon is impossible to ignore...and even harder to resist.

The sting of his parents' divorce still niggles at Ben Noble. So when a beautiful young sergeant arrives, mourning his stepfather's loss as strongly as his mother does, Ben can't help but feel conflicted. If his parents taught him anything, it's that love doesn't last—especially with a career soldier. But try as he might to keep his distance, Ben begins to see that Avi—and the spark she brings to his life—is the stuff forever is made of. Can Ben convince her to take a chance on forever with him?

“Pappano shines in this poignant tale of love, loss, and learning to love again. She creates achingly real characters whose struggles will bring readers to tears.”
