DESCRIPTION:

The thrilling conclusion to *New York Times* bestselling author Lilith Saintcrow's dark fantasy series where the fairy world inhabits diners, dive bars and trailer parks.

The plague has been stopped, the Wild Hunt mastered, but the balance of power in the sidhe realms is still shifting. The unSeelie King has a grudge against Jeremiah, but that grudge will have to wait. For he needs Gallow's services for a very delicate mission — and the prize held out for success is Robin Ragged herself.

Robin wants nothing to do with Gallow, but that isn't his problem. In order to save both Robin and himself, Gallow will have to do the unspeakable. He must become more than he ever dreamed.

He must become a king.
