AWKWARD

Svetlana Chmakova

A sweet tale about two kids navigating the precarious and awkward waters of adolescence and middle school.

Penelope—Peppi—Torres, a shy new transfer student, wants nothing more than to fit in and find a place among her fellow artistically inclined souls. The last thing she wants is to stand out. So when she bumps—literally—into quiet, geeky, friendly but friendless Jamie Thompson and is teased as the “Nerder Girlfriend,” Peppi’s first embarrassed instinct is to push him away and run. Though she later feels guilty and wants desperately to apologize for the incident, Peppi always ends up chickening out. She has no reason to speak to him, anyway, until she ends up bumping—figuratively and continually—into Jamie again! Will these two opposites ever see eye to eye, let alone become friends?

RATINGS

SUMMARY

The goal of the Yen Press rating system is to provide parents, librarians, and retailers with as much information about the contents of our books as simply and concisely as possible. Ultimately, opinions about appropriateness of content for a particular reader are a subjective matter and likely to vary from person to person. However, this is a useful tool to give readers some sense of what they may expect.

Yen's ratings are structured in two tiers: age ratings (A, T, OT, M) and content indicators (L, V, S, N). Age ratings indicate a maturity threshold below which some parents or guardians may find the content unsuitable. Content indicators provide insight as to the material within the book that prompted a particular age rating. The frequency and/or severity of that material is reflected in the age rating.

AGE RATINGS

ALL READERS

An "A" rating indicates that the material contained within the book has been deemed unlikely to be found inappropriate for any particular age group.

TEEN

A "T" rating indicates that there may be content within a book that some parents or guardians may consider inappropriate for children under the age of 13.

OLDER TEEN

An "OT" rated book contains material that some parents or guardians may consider inappropriate for readers under the age of 16.

MATURE

An "M" rated book is intended for a mature readership and may be considered inappropriate for readers under the age of 18.

CONTENT INDICATORS

L = LANGUAGE

V = VIOLENCE

S = SEXUAL SITUATIONS

N = NUDITY
